LEARNING

Our team will make sure that you can learn in the best conditions. Because as a student, you are at the heart of what we do.

Marleen Mast leads Crescendo CVO as director.

The centre is organised in training groups, supported by teams. Your teachers and the student administration team on the campus where you are taking your classes are your first points of contact.

In the **CENTRE REGULATIONS** you can read more about all your rights and obligations. You can find the centre regulations on the website.
